The image shows a Microsoft Word window titled 'Documento1 - Word'. The ribbon includes 'Archivo', 'Edición', 'Ver', 'Insertar', 'Formato', 'Herramientas', 'Tabla', and 'Ventana'. The ribbon is set to 'Formato', and the 'Formato de autoforma' task pane is open. The task pane has tabs for 'Colores y líneas', 'Tamaño', 'Diseño', 'Imagen', 'Cuadro de texto', and 'Web'. The 'Colores y líneas' tab is active, showing options for 'Relleno' (Fill), 'Línea' (Line), and 'Flechas' (Arrows). The 'Relleno' section shows 'Color' set to orange and 'Transparencia' at 0%. The 'Línea' section shows 'Color' set to dark blue, 'Tipo' set to a solid line, and 'Grosor' set to 0.75 pto. The 'Flechas' section has 'Estilo inicial', 'Estilo final', 'Tamaño inicial', and 'Tamaño final' all set to default. The 'Aceptar' and 'Cancelar' buttons are at the bottom of the task pane. In the document area, a yellow smiley face shape is selected, with a red box labeled '1 Seleccionar' pointing to it. A second red box labeled '2 Doble clic' points to the smiley face. A ruler is visible at the top of the document area.

The image shows a screenshot of the Microsoft Word interface. The ribbon is set to 'Herramientas de dibujo' (Drawing Tools) with the 'Formato' (Format) sub-ribbon selected. In the 'Estilos de forma' (Shape Styles) section, three 'Abc' style buttons are visible: a blue one, an orange one, and a black one. The blue 'Abc' button is highlighted with a red square, and a mouse cursor is pointing at it. Below the ribbon, a blue smiley face shape is inserted into the document. The shape is currently selected, as shown by a bounding box with handles around it. The document content area also shows some text alignment icons at the top.
